

Call for Papers for a Special Issue for SMRLO-2019

It is our pleasure to invite you to submit a paper to the Proceedings of the Institution of Mechanical Engineers Part O-Journal of Risk and Reliability (JRR) for a special issue for the Third International Symposium on Stochastic Models in Reliability Engineering, Life Sciences and Operations Management (SMRLO'19), held during May 29-31, 2019, in Beijing, China. The submissions must follow the requirements of the journal including scope, style and

<https://us.sagepub.com/en-us/nam/proceedings-of-the-institution-of-mechanical-engineers-part-o-journal-of-risk-and-reliability>

All submissions will go through a normal peer review process the journal requires. Each paper must explicitly indicate “for SMRLO-2019 special issue” on the title page and the first page of the blinded manuscript.

The deadline for manuscript submission is **August 31, 2019**. We expect final decisions to be made by December 31st 2019, and publication in Volume 234, 2020.

We cordially invite you to submit a manuscript for this special issue on SMRLO-2019.

Note: (1) Go to the website: <https://mc.manuscriptcentral.com/jrr>, enter your account, then go: Author→Start New Submission→Begin Submission→to choose “SMRLO-2019-Special issue”, then continue your submission until it is finished.

(2) There is one issue only, thus it may have **13-15 papers** to be accepted finally.
